# JUAN HERNANDEZ

## SOFTWARE DEVELOPER

### PERSONAL PROFILE

Software developer with 2 years of experience in Unity and C#, with solid foundations in JavaScript, both in back-end with Node.js, Express, and front-end using React. Additionally, I have experience in mobile development with React Native and Expo. My objective is to consolidate myself in a work team where I can contribute my knowledge and become a FullStack Developer.

### WORK EXPERIENCE

#### Unity Developer

3DVES | Feb 2020 - Feb 2022

- Develop applications on Unity Web GL
- Team Work
- Back-end with Node
- Work in Unity to Android/IOS
- SCRUM
